

### Quale misura di anello devo indicare ?

- 1) Stampa questa pagina.
- 2) Posiziona uno dei tuoi anelli sopra la pagina in corrispondenza del cerchio dello stesso diametro. Nel dubbio scegli sempre la misura superiore.
- 3) Leggi la misura corrispondente al cerchio scelto e riportala nel menù a tendina "Misura" che si trova nella scheda di ciascun anello.

### What ring size should I enter?

- 1) Print this page.
- 2) Place one of your rings on the page at the rim of the same diameter. When in doubt, always choose the excess.
- 3) Read the measure corresponding to the circle and bring it back chosen in the dropdown menu "Measure" that is in the details of each ring.
